Rental Terms, Conditions & Indemnity

The hirer must be in possession of a **valid motorcycle license**, acceptable by South African authorities, for the duration of the rental term. **A non South African drivers license for a car is sufficient to ride a 125cc Vespa.** Please carry your license at all times.

The hirer is covered by CTVR's public indemnity insurance for any harm you should cause, accrue or be caused to a third party. The hirer is NOT covered by CTVR insurance for any personal injury, theft or damage to our Vespa's, unless comprehensive insurance is taken when hiring the Vespa. CTVR does not accept responsibility for any damages you may cause to yourself or other vehicles.

Break down cover is provided with all rentals. If broken down contact CTVR immediately and wait for collection/swop out of your Vespa. This can take up to 1.5 hours depending where in Cape Town you are. Please do not attempt to repair any issue no matter of your mechanical competency and make sure that you and your passenger are in a safe location with the Vespa locked and off street.

The rental of each Vespa is subject to a **R8,000.00 deposit**, either by credit card or cash, which is fully refundable on the return of the Vespa and helmet(s) in the same condition (fair wear and tear excluded) as received by the hirer. A 'Holding Authorization' or '**Copy of the Card**' is available in the case of credit card deposits.

The hirer shall be responsible for any loss or damage incurred on the Vespa, whether by accident or theft. This assessed loss shall be offset by any deposit held by CTVR under this agreement, and the balance shall be payable to the hirer on return of the scooter. Should the hirer select CTVR's **full comprehensive insurance, R50 p/ day capped @ R550 p/ month**, he/she will only be responsible for **R3500.00 as the first amount payable (excess) should any damage occur and R5000.00 as the first amount payable (excess) in the case of theft of the Vespa.**

The Vespa must be **parked off-street overnight** for theft under CTVR's fully comprehensive insurance coverage with the disc lock secured. **Furthermore, a police case number is required should the hirer require CTVR to claim for insurance. The hirer will be liable for the complete loss should a police case number not be reported correctly, nor case number supplied.**

All daily rental charges exclude petrol. Vespa's are delivered full and the hirer shall return the Vespa full. If the Vespa is not filled on return, the hirer shall be charged R250. Each rental includes one helmet; an additional helmet is R50 p/day capped @ R550 p/ month.

The period of rental of this Vespa shall be agreed upon on signature of this agreement. **A single day rental is for a period of 24 hours with any late delivery charged at R50 per hour.** After **3 hours** a full day rate shall apply. There is a **lost key charge of R950, a lost helmet charge of R850** and a **lost disc lock charge of R300.**

The hirer shall be held liable for all traffic fines that result from any transgression during the entire rental period mentioned and indemnify CTVR from any liability resulting there from. CTVR retains the right to debit the hirers credit card for any fines for traffic offences received on behalf of the hirer.

Both the hirer and passenger (where applicable) shall **at all times wear a helmet**, which must be **clipped on** and firmly attached at all times, and agree to not operate the Vespa under the influence of alcohol or any illegal or intoxicating substances of any nature.

Whilst operating the Vespa the hirer agrees to not behave in any manner that would bring the name of CTVR into disrepute. The hirer shall use the Vespa entirely at his/her own risk and agrees that CTVR, its employees, agents or associates shall not be responsible, liable or accountable and shall be rendered blameless for any loss, injury or death sustained as a result of the rental and use of the Vespa during the rental period or any extension thereof.

CTVR shall not be responsible and shall be rendered blameless for any loss or damage to goods of any nature left or transported on the Vespa. **The Vespa will not be used commercially** or for financial gain and shall be used purely for personal transportation.

The scooter must at all times be used for the purpose that it was manufactured and may not be used for racing or the conveyance of goods or animals or more than 2 persons inclusive of the driver. The scooter shall not be used off-road and must be driven on asphalt/tar.

The Vespa shall not be ridden further than a 100km radius from CTVR premises; or further north than Melkbosstrand or further east than Paarl or further South of Strand. If ridden further CTVR's break down cover will be charged @ R950 per recovery/Vespa regardless of the circumstances.

Additional per km fees apply @ R2.50 for every extra km of more than **100km on a single day** rental, R2.50 for every extra km over 150km on a two-day rental and R2.50 for every extra km of more than **75km per day on rentals of more than two days.**

All Vespa's are highway approved

The renter/hirer confirms and warrants that all the information as requested by CTVR, pertaining to the renting of the Vespa, is true and correct and has a thorough knowledge of the applications of the Vespa.
